

The customer, Teso(30) is a well built, good looking young man. Kamsi eyes him

TESO

I'd like to book a trip.

DJ gestures for him to take the seat before her. She taps on her keyboard, her desktop comes alive, revealing a picture of her and her siblings as background. She opens the browser and taps away.

DJ

Is that for just yourself or are you travelling in a group?

TESO

Actually it's for my parents, it's their wedding anniversary.

She looks away from the screen and manages a smile.

DJ

Aaaw. Congratulations to them. And where is their destination?

TESO

Tokyo.

DJ

(surprised)

Really? That's different.

TESO

At least you didn't make the love in Tokyo joke.

DJ

(laughs)

I did, in my head.

TESO

You have a very cute laugh.

Kamsi locks eyes with DJ who quickly turns back to her screen with a straight face.

DJ

I've been told. So, Tokyo ... ever been?

TESO

No, I'm not a city type of person
when I am on holiday. Lagos gives
me more than enough "city". Where I
really want to go is Iceland to see
the -

She finishes his sentence

DJ

Northern lights.

They lock eyes for a moment before she carries on at the
computer.

TESO

Yes.

She smiles.

DJ

You can also see them from Canada
and Sweden ...

He listens intently as she goes on
